

## PEF Summer, *At Home Edition* – Lesson Plan

<b>Class:</b> Intro to K and First	<b>Grade Band:</b> K and 1st
<b>Teacher:</b> Mrs. Mably	<b>Lesson:</b> June & July Calendar
<b>Objectives:</b> Students will write numbers 1-31 and create a picture to match the season.	<b>Materials:</b> Printed calendar or white paper, pencil
<b>Process:</b> <ol style="list-style-type: none"><li>1. Draw a rectangle to fit the blank paper.</li><li>2. Using a ruler, draw six horizontal (sideways) lines and Write the days of the week, starting at the left, Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday. Underline the days of the week.</li><li>5. Using a ruler, draw a vertical line after Sunday, Monday, Tuesday, Wednesday, Thursday, Friday and Saturday.</li><li>6. Starting with Monday for June, Write the number 1. Each box will have a number until you reach the number 30. If you have squares left over after the number 30 or 31, put an X in those boxes.</li></ol> <p>Completing your calendar Printed or Homemade Write or trace the numbers if they are already there, 1-30, Or 1-31. Using a color trace with a crayon. And count the numbers out loud. Create picture to match the Summer Season! You may use white paper and draw a Summer picture using 5 colors. Or you may use construction paper and create a Summer picture, Suggestion: Using green for grass, blue for sky, Yellow for the sun, Brown for the trunk of the tree. You may use many colors for flowers, or the beach, fish. Extension: Color every other box making an AB pattern. AB uses two colors. For example: Red, blue, red, blue,, or orange and green, etc, Any color combination will work.</p>	
<b>Vocabulary:</b> <p>Vertical Lines: Up and Down on the page., Horizontal Lines: sideways on the page, Season: Time of the year in June and July which is Summer.</p>
